Beautiful lies!

\$10 or less!

Find all kinds of accessories this spring, from spring-like brooches, and can look trendy, Micki Turner.

and tote bag: \$9.97, (212-3000). Butterfly pin (877-878-0700). Earrings: \$10, Stephan & Co. (212-764-3332). Top: T.J. Maxx (www.tjmaxx.com). Pants: Gap (www.gap.com). Earrings: M. Haskell (212-764-3332).

Flower pins

Just \$5.50!

This season's freshest flowers won't be in the garden—they'll be on clothes! "A floral pin adds instant individuality to a shirt or sweater," advises Turner. Delicate fabrics like chiffon give a natural look; leather and yarn flowers are more bold.

Silk flower pin: \$5.50, Charlotte by Capelli New York (212-664-3344). Sweater set: Rafalella (212-403-0300). Earrings: M. Haskell (212-764-3332).

Ribbon belt

\$10 or less!

"Wearing ribbon belts over sweaters and jackets is very hot right now," says Turner. "And because you can find all kinds of inexpensive ribbon at fabric and trimmings stores, you can buy a few different colors and styles to experiment with!"

Snakeskin-print ribbon: \$9.99, Daytona Trimmings (212-354-1713). Sweater: Joseph A. (212-764-5111). Pants: Gap (www.gap.com). Earrings: Yochi (888-666-6420). Necklace: Stephan & Co. (212-481-3888).

Tip!

Look for ribbons with plush, embossed patterns—they'll look even more like a fancy belt!

Sparkly jeweled brooches

Around \$10!

"Easily update a jacket with a cluster of fancy brooches," says Turner. "This look is a lasting trend, making bargain brooches an even better value since you'll wear them for years!"

Romantic lace!

\$38 or less!

This spring, you'll find lace on almost everything! Why? "Lace is lightweight, so it's perfect for warmer weather, and it's just so feminine!" says Turner. "A poncho like this is great—you can even dress it up for evening."

Vintage mature lace poncho: \$74, Helen Welsh (646-674-0071). Sweater: T.J. Maxx (www.tjmaxx.com). Pants: Gap (www.gap.com). Earrings and necklace: Yochi (888-666-6420).

This designer-inspired look instantly alters any purse! "Buy charms at accessory stores, or create your own by hooking a pretty key chain to the zipper," says Turner. Try whimsical charms like these, or pearl ones for a grown-up feel.
